RÖJ SYRUPS

OUR TEAM

ROJ has team members based in Guatemala and the United States. We partner with our customers to:

- Assist in inventory management, leveraging our warehousing capacity in the United States and Central America
- Deliver excellent customer service on a daily basis
- Adhere to strict quality control measures, producing consistent product while maintaining a competitive price point
- Make a difference by donating part of our profit to support local communities

RÖJ SYRUPS
